**We would like to
hear about your
discoveries. . . see
next page**

3:15 PM

Update on 2017 Worker Protection Standards

– **Grant Jackson**, Oregon Dept. of Agriculture, Salem, OR

4:15 PM

Adjourn

INNOVATION

Share your favorite software or technology for a free workshop registration and gift card

Have you found a great app or software or hardware that makes your job easier?

What are you using on your smartphone that you rely on every day?

We would like to hear about it at this year's workshop. In trade for a 5-minute description, you will receive a free workshop registration and a \$75 Home Depot or Cabela's gift card . . . and no PowerPoint is needed.

All we ask is for you to share an app or software or hardware that you have found to work well, make your job easier and is available at a reasonable price. Something that you rely on to get your job done more efficiently and effectively. It doesn't have to be cutting edge, just a daily workhorse that makes your life easier on the job. It may be common to you, but unknown to other foresters.

Each presenter will take just 5 minutes to describe the software/technology, tell the audience what you use it for, why it can help with professional duties and where to get it.

If interested, send a note to richard@westernforestry.org or 503-226-4562.

2016 PNW Reforestation Council Annual meeting
